- ✓ A Courageous Walk
- ✓ Making a Difference
- ✓ Getting on the Band Wagon
- ✓ Footprints

# Introduction

North Yorkshire's School Travel Awareness Team has put together this selection of Assemblies for use all year round.

Some of the Assemblies are particularly relevant to School Walking Month - October.

Each Assembly has either Travel Awareness or Road Safety themes.

The Assemblies are noted as being suitable for a particular Key Stage; however, they are easily adapted for use with either Key Stage One or Key Stage Two.

The Assemblies are intended as ideas, please feel to adapt them in any way you feel necessary.

The School Travel Awareness Team would welcome any feedback on the Assembly Resource.
