Travel to School

Objectives:

- To raise students awareness of sustainable ways of travelling and the effect of their travel choices.
- To encourage investigation considering different modes of travel

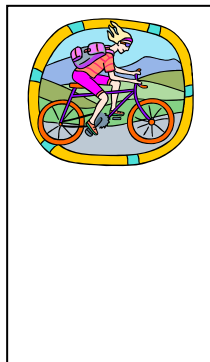

Activity:

Starter: Write down different ways of travelling to school. Consider some of the advantages and disadvantages of each different mode.

Pupil Activity:

Design top trump cards for pupils using different modes of travel to get to school:

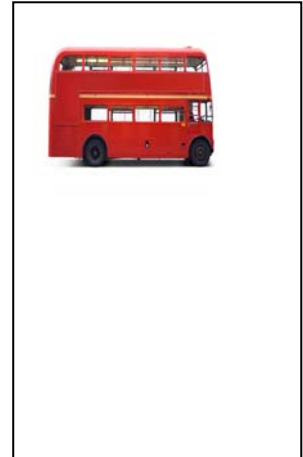

- Walk
- Cycle
- Bus
- Car
- Scooter
- Walk part of the way
- Other

Make sure your cards have a good design and our colourful and well presented

Put categories on the cards and award points for each different mode of travel. Consider the scoring carefully for each category. Some suggestions may be:

- Energy
- Alertness
- Stamina
- Friendliness
- Being green
- Independence
- Emissions

Discussion:

Compare your cards with your friends.

Have you given the same ratings for different ways of travel?

Talk about your cards.

Play against a friend.

Plenary:

Which modes of travel to school are most sustainable?

Resources:
