

Ideas for Planning and Writing a Discussion

Children who live less than a mile from school should walk to and from school each day.

Congestion charges should be introduced in all major towns and cities.

Cars should be banned from inner city areas.

We should use our cars less.

All primary aged children should receive cycle training so that they can cycle to and from school.

Cars should be banned from the immediate area of all primary schools.

Drivers who park on the yellow Zig-Zag markings outside school should receive a fine and points on their driving licence.
