

Autumn 2015

Be bright be seen

It is important to wear bright colours when out near traffic. Bright colours will help drivers to see you. They will help keep you safe.

Fluorescent materials show up during the day and at dusk.
Reflective materials show up at night.

Competition

As part of the 'Be bright Be Seen' theme ask pupils to design a school bag .The design must be bright and visible to all road users. They can decorate it using pencils, felt pens or paint. Or glue on fabric or glitter to make a collage.
