

### Issues for debate:

How can we reduce traffic congestion at our school?

What would make it safer and easier to walk, cycle or use public transport to travel to and from school?

### Agenda

- Discuss the reasons for travelling to and from school by car instead of walking, cycling or using public transport
- Suggest possible solutions
- Discuss which would be the most realistic for your area
- Agree on 3 measures that you would like to propose to the school governors and the local council
- Record the class decision
