

Gear up for Bike Week

Confidence
Community-building
Independence
Safety awareness
Health and fitness
Learning
Fun

- Visit our North Yorkshire Road Safety website for lots of activities and ideas. The teacher's area has lesson ideas and assembly plans. www.roadwise.co.uk
- Use the Road Safety in the primary curriculum resource pack.
- **Hold a school wide competition to design a Bikeability Mascot**

The mascot should be a character who tells children about cycling and gives information about how to stay safe.

- Your mascot could have superhero powers and special features
 - You could label different features
 - What will your mascot wear? Remember safer cyclists always wear a helmet and bright clothing.
 - Include some fun ideas and interesting facts about cycling
- **Hold a school wide competition to design a funky cycle helmet.**
 - Visit the Sustrans website for more ideas for Bike Week.
