

Aim of lesson:	To agree rules for a class debate
Travel Awareness Message:	Using alternative transport methods can reduce congestion
Resources:	Activity Sheet: Rules for Class Debates Flipchart / Board to record information

ACTIVITIES:

- Remind children of some of the issues raised in the debate in the previous lesson and the potential for heated arguments
- Explain that we need to agree rules for our own class debates so that we can progress with our travel project.
- Distribute copies of Activity Sheet. Working together children draft a set of rules for their own class debate.
- The children need to nominate a chairperson and a minute taker. The minute taker should record the points raised on the flipchart / board for everyone to see.

PLENARY Have the children become more skilled in taking part in discussions?
