Lesson 4

| | |
|----------------------------------|---|
| Aim of lesson: | To design a Travel Survey Form |
| Travel Awareness Message: | Using alternative transport methods can reduce congestion |
| Resources: | Activity Sheet: Survey Form Prompt Sheet: Carrying out the Survey Flipchart / Board to record information |

ACTIVITIES:

- Remind the class of the previous lesson. Explain that their work was based on their own views, which may not reflect the views of the whole school.
- Explain that they are going to design / adapt a survey form to find out how people travel to school and what changes would be needed to encourage them to use their cars less.
- Hand out the Activity Sheet : Survey Form. Discuss its content and answer any questions. Discuss whether any changes would be needed to make it relevant to your school.
- Explain that the class will debate and decide on how to carry out the survey.
- Hand out the Discussion Sheet : Carrying out the Survey. Encourage the children to work in small groups to discuss the best way to carry out the survey.
- Reach some decisions, voting if necessary.

PLENARY Reflect on how well the debate went. Discuss how and when the survey will be carried out.

CARRY OUT THE SURVEY IN THE AGREED WAY
THE RESULTS CAN BE INPUTTED INTO A SPREADSHEET TO AID ANALYSIS OR SOME PREPARATORY ANALYSIS SHOULD BE CARRIED OUT BY THE TEACHER TO PRESENT TO THE CLASS

In the next planned lesson the children will be making recommendations based on the results of their survey
