

# WE NEED YOU!

Would you like to promote Road Safety within your school!

Are you a Year 5 in September 2019?

*Would you like to:*

- Organise competitions;
- Take part in school assemblies;
- Display road safety information on your own notice board; and
- Keep a folder that contains a record of how you have promoted and encouraged road safety within your school.

As a JRSO you will need to be enthusiastic, resourceful and keen to help others.

If you are interested please talk to your class teacher.
