

Road Safety Poetry Competition

We are launching a whole school poetry competition with prizes for the best poems in Key Stage 1 and Key Stage 2.

Your poem could rhyme, or not. It could be a limerick or even an acrostic poem, just as long as it has a Road Safety Theme.

Have fun and get your entries in by:

Be bright be see
in fluorescent green
DayGlow pink
makes the drivers think
Bright orange is best
for a stand out vest
Reflective stripes
shine out at night

STOP LOOK LISTEN

Stop, look and listen,
Before you cross the street,

Use your eyes, use your ears
Before you use your feet.
